## *Campus Ministry Track*

<http://steubenvilleconferences.com/adult/sjb>

The Campus Ministry Track is a comprehensive program offering the methodological, philosophical, and doctrinal topics essential to evangelizing and making disciples on college campuses. Any effort to reach college students must start with a proper Catholic worldview and a missionary mindset. Through presentations by veteran campus ministers, this track will take you through proven practical steps for developing and growing your campus ministry. Attention is particularly given to sustained, long-term growth and not just short-term gains. You will also have the opportunity to connect with other like-minded campus ministers for mutual support and fellowship.
