

St. John Bosco Conference

Youth Ministry Certificate Track

<http://steubenvilleconferences.com/adult/sjb>

This is an in-depth program developed to provide deeper formation for the youth minister, including presentations that are practical, academic, theological, and spiritual. Believing that the most significant factor in the catechetical endeavor is the individual catechist passing on a lived faith, Franciscan University has committed itself to assisting in the preparation of men and women equal to the task of catechesis in a youth ministry context.

This two-year program includes 16 workshops and 8 general sessions. Participants begin with the Year 1 Curriculum and then move to the Year 2 Curriculum. Year 1 and Year 2 are offered every year at the conference.

A. Registration and Attendance

- Conferences participants who would like to participate in the YM Certification Track must come to Track Check-in on the first day of the conference, after Conference Registration, to confirm your participation in the track. At Conference Registration, they will tell you the location of Track Check-in. Acceptance into the YM track will not be considered unless this registration has been completed.
- Participants pursuing the certificate training must attend all 8 Youth Ministry Track workshops and all 4 general sessions during the week. Attendance will be monitored at all sessions, including the general sessions. It is very important that you record your name at each session you attend.

B. Administrative Fee

In order to cover administrative costs to the Office of Catechetics (postage, supplies, photocopying, etc.) **all Youth Ministry Certificate Track participants will be charged a \$20.00 fee each year.** This fee will be paid to the Conference Office with your regular conference and housing costs. Please inform the conference staff that you would like to participate in the Youth Ministry Certificate Track.

C. Certificate Requirements

Over two successive summers, Youth Ministry Certificate Track participants will attend a total of 16 workshops and 8 general sessions, and each participant will complete and submit an assigned project or paper each year. In the last year of training the candidates will complete a 6-page essay assignment. **On each project/paper, please include your name, contact information, the name and year of the Conference you attended and the number of years you have been in the track.**

Papers for this year's conference must be postmarked by **September 19, 2016**, and mailed (or emailed) to Bob Rice at:
