HOUSING INFORMATION

HOUSING PRACTICES

- Youth and chaperones will be housed in the same proximity, under the same roof, but will not be expected to share sleeping quarters.
- **In the Residence Halls:** Women will be housed here. Two (2) chaperones will be assigned to a room; up to four (4) youth will be assigned to a room. All rooms are double occupancy, so some youth can expect to sleep on the floor. Only half our residence halls are air conditioned.
- **In Assisi Heights:** Men will be housed here. Participants will be expected to sleep in bedrooms as well as on the floor in open living space. We will house your group with ample space for each participant. Heights are not air conditioned.
- Priests will be housed separately from their groups and will be assigned a roommate.
- You will receive your group's housing assignment when you arrive on campus for check-in. We cannot provide it to you beforehand.
