

STEUBENVILLE MAIN CAMPUS

ALLERGIES & DIETARY NEEDS

All allergies (food, medical, etc.) and dietary needs are to be recorded on a Liability Form.

Our Food Service Provider is able to accommodate allergies to milk, eggs, wheat, soy, fish, shellfish, peanuts, tree nuts, gluten, and dairy, as well as diabetic needs and low sodium diets.

If your allergies are not already accommodated, please email us at youthconferences@franciscan.edu prior to arriving on campus so that we can most effectively meet your needs.

FIRST AID

Make sure you stay hydrated! Water stations are available throughout campus for your convenience.

For any medical or health issues, all participants will be directed to First Aid, located in the J.C. William's Center.

An Adult Chaperone must accompany all youth visiting First Aid.

The on-site medical professionals will not dispense medication (Tylenol, Advil, Aspirin, etc.) to participants; however, these will be available for purchase at the Franciscan Bookstore.
