

St. John Bosco Conference Catechist Certification Track

Preparation for the catechetical mission: This is a comprehensive program offering the methodological, philosophical, and doctrinal topics essential to the teaching of the Faith. Believing that the most significant factor in the catechetical endeavor is the individual catechist passing on a lived faith, Franciscan University has committed itself to assisting in the preparation of men and women equal to the task of catechesis. While presenting a systematic doctrinal foundation coming directly from the *Catechism of the Catholic Church*, this track also includes proven, effective methodologies.

Conference participants who wish to register for this track may should do so at the Conference Registration tables at check-in, or online prior to the Conference.

Catechist (CT) Track

Directed to any person engaged in teaching ministries at any level, this three-part comprehensive program offers spiritual, methodological, philosophical, and doctrinal topics essential to the teaching of the Catholic faith. Believing that the most significant factor in the catechetical endeavor is the individual catechist passing on the witness of a lived faith, this track aims to complement basic diocesan catechist certification. It does this by enriching in-diocese teaching with workshops designed to: 1) Take catechists to the next step of formation in key areas; 2) Address target areas needing strengthening in our current cultural context; and 3) Enable catechists to continue growing their skills and understanding in the years following completion of diocesan certification.

*F*orming those who form others.
