

St. John Bosco Conference

Hispanic Faith and Family Certification Track

This track addresses the much needed and rapidly developing area of ministry to Hispanics in the United States and Canada. Rather than merely adapting content from an English-language version, the material and teaching of these workshops is inculturated already, and is *firstly* developed in Spanish by veteran Hispanic diocesan, school, and parish officials. Offering substantive and specific help to dioceses on Hispanic outreach, with a host of pragmatic workshops, this track speaks to the needs of not only lay ecclesial ministers, but also pastors, parents, school leadership, homeschoolers, parish volunteers, etc.

2020 Hispanic Faith and Family Track Workshops include:

- Applying the Catechumenal Model with Children within a Hispanic Setting
- Vocation of the Catechist
- Understanding Proper Christian Devotion vs. Superstition
- Ways to Evangelize the Family through Scripture
- Faith in Hispanic Families
- The Blessed Virgin Mary
