

## 2022 Steubenville Youth Conferences

### OVERVIEW

Every summer, thousands of high-schoolers have their Catholic faith strengthened and lives changed through an encounter with the love of Jesus Christ and the power of the Holy Spirit at a Steubenville Conference. For some it was the worship that moved them, others Adoration or the opportunity to participate in Reconciliation, and still others the inspired preaching and teaching of the best speakers. We rejoice in the faithful love of Jesus who continues to pour out His grace in abundance at Steubenville Conferences. And we celebrate the dedicated and hardworking Youth Ministers, without whom our conferences could not happen.

This year, for the first time ever, as part of our mission to “Go, Rebuild the Church,” it is our great desire and joy to serve Youth Ministers everywhere. We invite you to let us evangelize, equip, and empower you to succeed in your ministry and do the same for God’s children, in order to become radical and joyful disciples.
